

ARE YOU THINKING ABOUT A DOCTORAL DEGREE IN NURSING?

Guiding Initiatives for Doctoral Education in Nursing

OPEN HOUSE

A fundamental component of this 4-hour Open House is accessibility to doctoral programs across the states of Oregon and Washington. The Open House will provide information about doctoral programs in Oregon and Washington and address common questions and requirements for applications.

- Describe the breadth of doctoral programs
- Compare and contrast PhD and DNP degrees and programs
- Select a doctoral program congruent with career goals
- Strategies for success moving forward

PAST PARTICIPANTS HAVE SAID:

“Loved it!! The whole topic was broken down into manageable pieces to help process a very serious life altering decision.”

“I left there feeling as if the mental barriers to furthering my education were beginning to lift.”

“The most valuable elements were the availability of the faculty and the sense of community created among the attendees.”
